KELLY REGEN

Kelly Regen was born and raised on Salt Spring Island, attending secondary school and post secondary school in Victoria and Vancouver, B.C. A graduate of Camosun College and the University of British Columbia, Kelly is licensed as a real estate representative, with credentials for sub mortgage brokering and property management. She concentrates now solely on representing clients in all areas of real estate, buying or selling.

Kelly addresses her career as she does all aspects of her life; with humour, common sense and tenacity. Her education, integrity, practical experience and commitment to the island have resulted in tremendous real estate success. She believes doing business the right way is the only way and has developed a reputation for thoroughness and excellence. She loves meeting and working with new people and her best advertisement comes from satisfied clients. Kelly guarantees professional, personalized and honest real estate service.
